*The interest rate and annual percentage yield (APY) will not change for the term of the account, which is six (6) months. The annual percentage yield assumes interest will remain on deposit until maturity. We use the daily balance method to calculate interest on the account and interest will be credited as specified at account opening. Funds currently on deposit with Bank of Oak Ridge cannot be used for this promotion. You must deposit at least \$3,500.00 to open this account. Total deposit in the account may not exceed \$1,000,000.00. You may not make additional deposits into this account. A penalty will be imposed for early withdrawals. Rate is current from the date of this issue, 5/7/2025. This promotional offer may change at our discretion, at any time and without notice. Please contact a Bank of Oak Ridge team member if you have additional questions.
